

## CHOPPER PAPERCRAFT

### INSTRUCTIONS:

Build separately horns, hat, ears following the letter or number order.

Then glue these parts together.

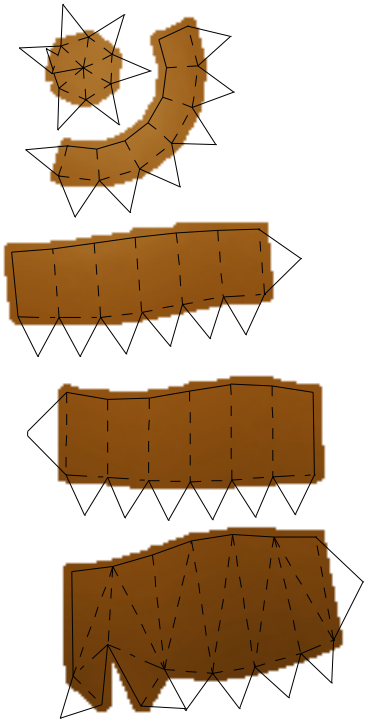

Build the Head following the number order.

Build one body, then build the arms from fingers to shoulder, then glue them to the body.

Proceed with pants and leg, closing the model at piece D or d. Put some weight into the feet to be sure that the model doesn't fall.

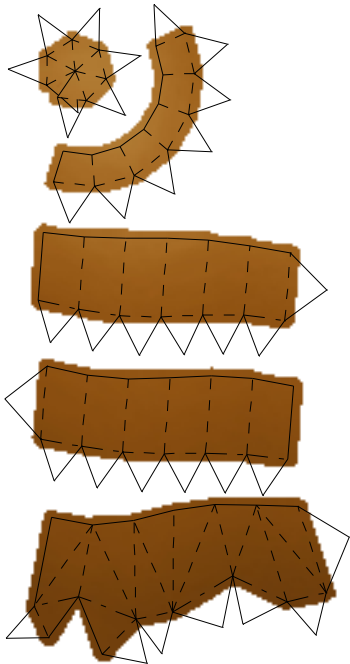

Build one of the 2 flag.
