

# POE

By Xenonray

These lantern carrying ghosts often haunt the darker corners of Hyrule and Termina. Although common Poes are quite weak, their ability to float through walls and disappear can make them difficult to track down.

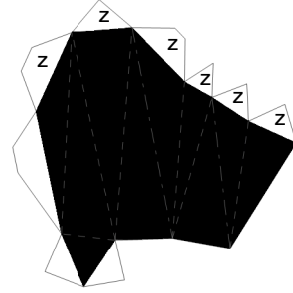

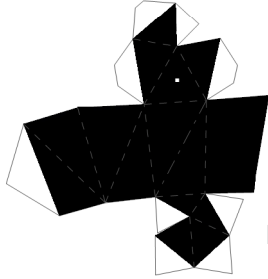

Right Upper Arm

Tabs marked Z glue onto the side of the body.

Tabs marked Y glue onto the bottom of the right hand.

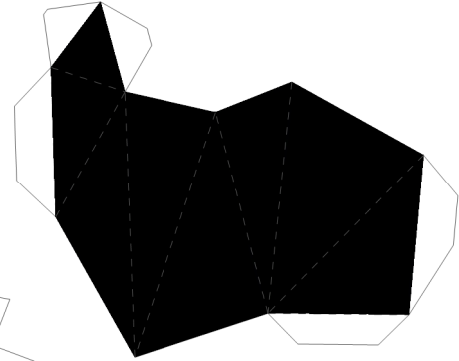

Left Arm

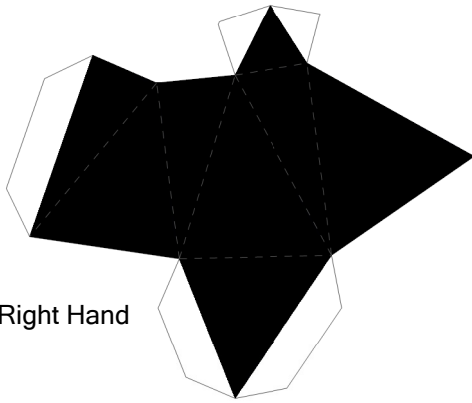

Right Fore Arm

Tabs marked X glue onto the centre line of the face.

Tabs marked W attach the face to the body.

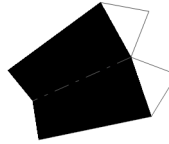

Left Hand

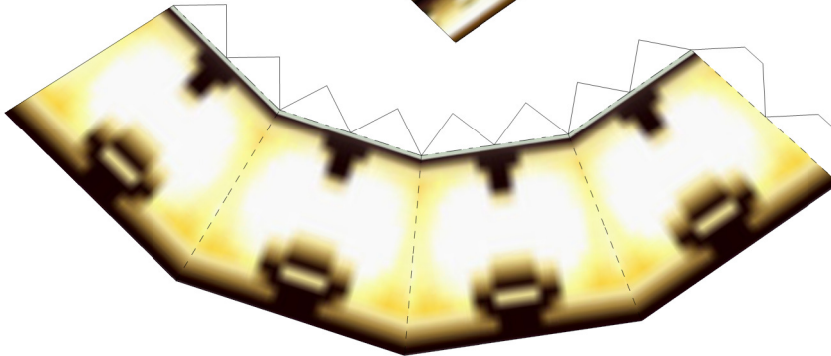

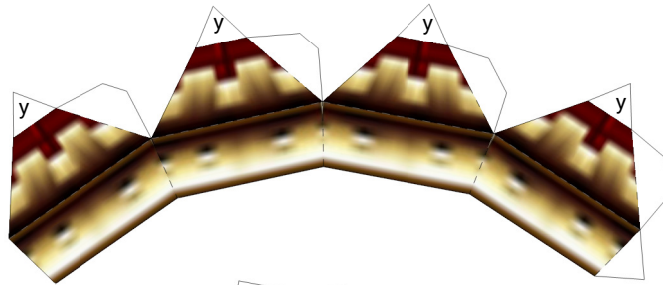

Right Hand

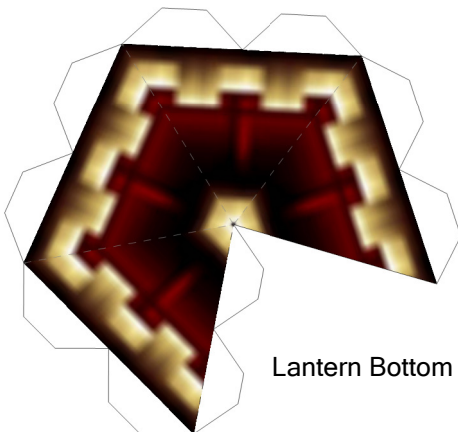

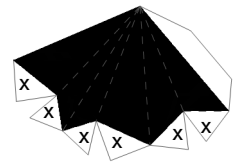

Left Thumb  
(2D, glue back-to-back)
